EXCERPT FROM D/FBIS DAILY LOG - 13 November 1980

3. Discussed our plans for closing the Athens Unit [redacted] understands our rationale, although she said she believed our chances of obtaining Greek approval for a bureau were better right now. I mentioned that we were considering the possibility of having the Nicosia Bureau chief [redacted] discuss continuity of coverage with the Embassy. She welcomed this and asked that the visit be delayed until after she returns to Greece. She also complimented FBIS for the high quality of the officers we have assigned to Athens in the past 2 years. (cc: C/Ops, C/E&PS) (C)
